RE: OBSERVANCE OF THE ACADEMIC CALENDAR FOR AY 2020-2021

DATE: 17 SEPTEMBER 2020

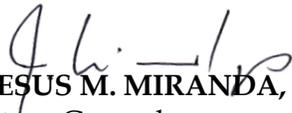

The **collegiate calendar for AY 2020-2021**, which was released through *OSG Circular No. 37 AY 2019-2020* dated July 13, 2020, identifies the class days and assessment weeks, including the regular and special holidays. The Academic Calendar of the Basic Education likewise reflects the same regular and special holidays.

In view of this, the academic units are reminded to **strictly observe the stipulated class days**; hence, **holidays should not be used for make-up classes**.

Any adjustment in the approved collegiate and basic education academic calendar should be communicated to the Office of the Secretary for review and approval.

Please be guided accordingly.

Thank you.
