SUBJECT: VIRTUAL EXHIBIT

DATE: 14 OCTOBER 2020

For more than four centuries, the University has preserved its unique traditions as a Catholic higher education institution. Generations of Thomasians have witnessed these traditions in various University rites, celebrations, and events – a birthright every Thomasian can be genuinely proud of.

Timely for the opening of the Academic Year 2020-2021 and appointment of a new Rector of the University, the UST Museum and the Communications Bureau have jointly produced a virtual exhibit that showcases traditions and historical objects connected with the Office of the Rector. The virtual exhibition is titled "**Heirlooms of Authority.**"

In this regard, the academic and administrative units are enjoined to have their students, support staff, academic non-teaching staff, faculty, and administrators informed of this unparalleled University heritage through the social media page of the UST Museum at <https://www.facebook.com/watch/?v=791042168355488>.

As a Thomasian community, let us all be one in knowing our past as we continue nurturing this legacy from our forefathers.

Thank you.

FR. JESUS M. MIRANDA, JR., O.P.
