## Orientation Webinar on the University COVID-19 Vaccination Plan

March 23, 2021 (Tuesday)

2:00 PM to 5:00 PM

via Zoom

This webinar serves to inform University administrators, academic staff, and support staff of the importance of vaccination in our fight against COVID-19, and the scheme that the University intends to undertake in order to make COVID-19 vaccines available to its constituents. This is in an effort to assist University staff to make informed decisions about confirming their reservation for COVID-19 vaccines through a final survey to be deployed after the orientation webinar, which subsequently, shall be the basis for lodging our institutional agreement with the vaccine supplier.
