The University, in partnership with Nine Media Corporation also known as CNN Philippines and Microsoft Philippines, will host the **Vice-Presidential and Presidential Debates on February 26 and 27 (Saturday and Sunday)**, respectively at the Quadricentennial Pavilion Arena.

The University supports the said activity as a form of *voter education and participation* among the Filipino electorates, especially among the students, alumni, and University staff.

The said debates will be streamed live via CNN's official social media accounts and the University's official Facebook page (UST1611official). **Everyone is enjoined to participate virtually.**

As we participate in the local and national elections on 9 May 2022 (Monday), let us also pray for peaceful elections as we all share in the collective building of our nation towards progress.

Thank you.
