**RE :** VICTORY HOMECOMING FOR MR. ERNEST JOHN "EJ" OBIENA  
**DATE :** 27 SEPTEMBER 2022

---

The University prepares a **Victory Homecoming** for **Mr. Ernest John "EJ" U. Obiena**, which will be held at the UST Manila campus on **29 September 2022 (Thursday)**, from **10:00 am onwards**.

Mr. Obiena, a fourth-year Electronics Engineering student, who is currently on leave to concentrate on his training abroad, has played Track and Field for UST in the University Athletics Association of the Philippines (UAAP) and UniGames, and is now the world's number 3 pole vault athlete and a Filipino Olympian.

Through the Central Committee on University Events, in coordination with the UST Faculty of Engineering (FOE) and the UST Institute of Physical Education and Athletics (IPEA), he will be given the honor of signing the University Guest Book in front of the Arch of the Centuries and will pay a courtesy visit to the University Rector.

A Testimonial Luncheon, Press Conference, and Video Shoots will consequently be held at the Grand Ballroom of the Paredes Building, to be followed by a brief encounter with the Engineering students at the Fr. Roque Ruaño Building and fellow athletes at the Quadricentennial Pavilion.

May we continue praying for our fellow Thomasian's good health, right disposition, and unparalleled tenacity, as he continuously inspires the Thomasian community through excellence in sports.

Thank you.
