Without love, *Paskuhan* will only be a mere social event. Christmas is a Gift wrapped in love to be received in faith. With such an overflowing love, we cannot but be a gift to others. The love that we receive is the love that we share. Let us open our hearts to receive the grace of Christ, who is Love Himself.

We wish everyone a Blessed and Meaningful Christmas in this celebration of love, joy, peace, and hope.

Thank you.
