RE : ON CAMPUS ROLLOUT OF COMELEC'S
REGISTER ANYWHERE PROGRAM
DATE : 22 February 2024

The University, in partnership with the Commission on Elections (COMELEC) Fourth District, Manila, will host the rollout of the **COMELEC's Register Anywhere Program (RAP)** on campus on **14 March 2024** (Thursday). #RegisterAnywherePH

RAP, a new service program of the COMELEC, is a comprehensive service for **voter registration for concerned students, University staff (maintenance staff, security personnel, support staff, academic staff, officials), UST Hospital Staff, Parishioners, and their relatives** that addresses the following registration needs:

- **New registration:** applicable to first-time voters;
- **Transfer of registration:** applicable to voters who are moving to a new location; hence the need to update their address;
- **Overseas to local transfer:** applicable to those who are coming back from abroad and wish to vote back home;
- **Correction of entries:** the service allows a voter to fix any mistakes in his/her voter information;
- **Change of status:** applicable to those who have gotten married or have changed their name; and
- **Reactivation:** applicable to voters whose prior registration has been deactivated.

To facilitate the preparation of logistical requirements by the Central Committee on University Events, a [preliminary survey](#) is hereby deployed and is expected to be answered by interested persons not later than **26 February 2024** (Monday).

Those who will express their intent to avail of the RAP services on **14 March 2024** (Thursday) through the preliminary survey shall be promptly advised via email to select from the available appointment schedules (*i.e.*, 8:00 am – 9:00 am, 9:00 am – 10:00 am, etc.) using the **Voter Registration Appointment System**.

May this endeavor be our collective contribution to ensuring a higher voter turnout for the 2025 National and Local elections. Thank you.
