

UNIVERSITY OF SANTO TOMAS
OFFICE OF THE SECRETARY-GENERAL

UST:SO06-00-ME06
A.Y. 2025-2026

TO : HEADS, ADMINISTRATIVE AND ACADEMIC UNITS (UST Manila)
FROM : OFFICE OF THE SECRETARY-GENERAL
RE : USE OF THE NEW EDUCATIONAL ORGANIZATION
MANAGEMENT SYSTEM (EOMS) LOGO
DATE : 25 October 2025

The University has been officially granted the **ISO 21001:2018 Educational Organization Management System (EOMS) Certification** by TÜV SÜD PSB Philippines, Inc., following the successful conduct of the Stage 2 Onsite Audit held on September 1-4, 2025. This milestone marks the University's full transition from ISO 9001:2015 to ISO 21001:2018, affirming its commitment to excellence in educational management and institutional quality.

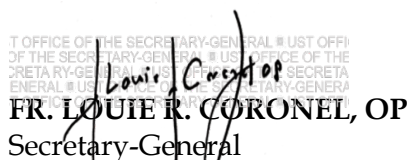

In this regard, **all administrative and academic units are hereby directed to replace the previous ISO 9001 logo with the new ISO 21001 (EOMS) logo** in all official University materials, including but not limited to:

- Announcement and bulletin boards;
- Institutional and local unit websites;
- Official documents, forms, and letterheads¹; and
- Event and promotional paraphernalia.

The attached **official EOMS logo file** is made available to ensure uniformity in its application across all University offices. All concerned units are requested to ensure the **prompt implementation and dissemination** of this directive within their respective areas.

May this milestone inspire us to strengthen our shared vocation as educators and stewards of quality, ensuring that every Thomasian experience reflects the heart of our mission—to form competent, committed, and compassionate servants of the truth.

Thank you for your genuine compliance.

FR. LOUIE R. CORONEL, OP
Secretary-General

¹ Existing stocks of letterheads bearing the previous logo may be utilized until exhausted, after which all new printing requests must feature the new EOMS logo.
